Holger Wallbaum

4th International Holcim Forum for Sustainable Construction

Although sustainable development incurs costs, it also offers considerable economic potential. "Economy of Sustainable Construction" is the focus of the 4th International Holcim Forum, hosted by the Indian Institute of Technology (IIT Bombay) in Mumbai, India, from April 11 to April 13, 2013.

Chair: **Mohsen Mostafavi**. Co-Chair: **Battula Chakravarthy**.
Keynotes: **Alejandro Aravena, Lucas Bretschger, Sir David Chipperfield, Ian Morris, Brinda Somaya**. Panelists:
Marc Angéilil, Nirmal Kishnani, Ashok Lall, Werner Sobek.
